

## THE LEAN REGION

~ The echoes from the spirit  
Leave none untouched  
The grandiose vision  
Reinvesting in itself  
Malnutrition that leaves relevant greatness  
The doors that close at the plundered will  
Notable anecdotes that take siege  
Of self  
Performing extraordinary normalness  
Throughout the lean region ~

## CELESTIAL CROWN

~ That impregnating walk  
Celestial crown  
Sensing the trail of spirit  
Fragile eminence upon the wind  
Innocent immergence  
The flowers grow gently  
While reading the flesh ~

## FINDING INTRICACY

~The finding of intricacy

Judgment of the manipulation

The moss that numbs the bone

Observing the poetic obsession

The obliteration of all

Creating new structure of the mud

While dedicating itself to the hidden~

## Delusional Imprint

~Delusional imprint

Upon the nightly sky

Assembly of souls walking leisurely

Intolerant towards mundane repose

Slumbering intuition

Opening the farthest door to the imagination

Preoccupied with the predominance of the spirit

Ceaseless understanding of sentiment

Beholding destiny~
